- NACSW strength Birch, Anise and/or Clove will be used
- The morning searches (NW1/NW2) will take place at On Point Pet Spa in Richfield.
- NOTE: We will not be adding distractors in the NW1/NW2 searches, however ... this is a grooming shop with retail area. There ARE distractions inherent in the setting; including smells, toys and treats in the retail area. There will NOT be grooming taking place during the sniff n go.
- The afternoon searches (NW3/Elite) will start at OPE Dog Sports in Slinger (containers and vehicles), then you will drive next door to Bedrock Granite for your remaining searches.
- Dogs should be proficient in Birch, Anise and Clove.
- You may choose to run Blind or may ask for help at any point.
- Time limits will be in place for every search.
- Handlers may register for both the Morning and Afternoon sessions with a maximum of 2 dogs per handler per session. Hide locations will not be changed for the second dog.
- Dogs will run approximately every 15 minutes.
- Arrive 15 minutes before your time slot. You may leave as soon as your searches are completed.
- Dogs must be crated in vehicles when not searching.
- Register online at <https://www.4pawsinaction.com/sniffngo>
- Running order will be sent out around February 9th
